# LINNÆAN BOTANIC GARDEN,

## WILLIAM PRINCE, PROPRIETOR, FLUSHING, NEAR NEW-YORK.

### SUPPLEMENTARY CATALOGUE OF FRUIT TREES, &c.

NOT INCLUDED IN THE PREVIOUS EDITION.—MARCH 1, 1830.

Those designated by an asterisk are ready for sale; some of them two years, but most of one year's growth, from the inoculation; and a part are only budded, and not yet grown, but can be transplanted with safety. A, designates the native varieties, not otherwise pointed out.

N. B. The prices of the Fruit Trees will be from 37½ cents to \$1, and principally at the latter rate, according to their comparative rarity and value.
